

NEWS RELEASE

50th Anniversary Collaboration Cafe "ID Cafe" is Now Open in Tokyo · Aoyama

Information Development Co., Ltd. (ID) will be celebrating its 50th year in October of 2019. As one of the anniversary's events, we have collaborated with the Royal Garden Cafe Aoyama for the "ID CAFE," which will be open temporarily in November.

The café's decorations feature our company's mascot Mana-chan (a manatee). Also, the desserts and drinks represent our corporate color of green, creating an original menu for our guests.

Because the location has a beautiful, autumnal view of the ginkgo trees, please take this opportunity to visit. ID is looking forward to the next 50 years "NEXT 50TH" and will continue to work on creating an exciting future.
